Advanced Placement and Dual Enrollment Courses

Michigan Lutheran High School utilizes the benefits of online learning to bring students additional course offerings as part of their education at Michigan Lutheran High School. This allows our students the ability to take AP courses as well as courses that can earn them college credit while they meet their high school graduation requirements. We have an on-campus mentor for all students who take online courses to meet needs that arise in this type of platform. A student interested in taking AP or dual enrollment courses must consult with the guidance counselor in order to obtain permission. Parents also must sign a contract stating that they and the student are aware and prepared for the rigors of the AP or dual enrollment course.

Dual Enrollment

- American Civilization (3 credits)
- American Government (3 credits)
- Civilization and Worldviews: Literature (3 credits)
- Financial Accounting (3 credits)
- Foundations of Computer Science (3 credits)
- Human Anatomy and Physiology I & II (6 credits)
- Intro to Pharmacy (1 credit)
- Intro to Psychology (3 credits)
- Intro to Sociology (3 credits)
