^ The ML school website < www.michiganlutheran.org > is an open, unsecured website available to the general public. The ML monthly newsletter, *The Lighthouse*, has a circulation of about 2400. It, and our digital video productions, are distributed to our local WELS and LCMS congregations and our sister area Lutheran high schools. Generally, photos and video clips are published without names or using only first names. Occasionally, a student's name corresponds with her / his photo when it is necessary, for example, when a student achieves an award or some other notoriety. We do not publish student addresses, phone numbers, email addresses, or other contact information. Please be assured that consideration for your student's welfare and security will be handled with care and discretion. Please contact the school office with questions, or to view examples of past publications.
